EDUCATIONAL PLAN (ED PLAN):

⚠ Please attach a copy of your education plan to your SF SEED application. Please read the information below to support you with obtaining an education plan and to ensure your ED Plan will be accepted.

What is an education plan?

An education plan is a document created by you and a higher education professional that is used as a resource to plan out your courses, major, and other academic or career goals.

What must your education plan include?

☐ Current coursework and course plan for at least one semester in advance
☐ Coursework on your education plan must lead to a degree attainment
☐ Signature by your academic counselor

*If you work at a Title 5 center, we recognize that you may also need to take courses for your permit. Coursework that is only for your permit, and does not count for your degree, will not be eligible for the SF SEED stipend.

Tips

• Schedule your education plan appointment early in the semester to avoid last-minute scheduling.
• During your meeting ask about coursework that counts toward multiple education goals to ensure you're on the fast track to your academic and professional goals. For example, CDEV 65 at CCSF counts toward a permit upgrade, an AA/AS degree, and transferring.

If you have any questions about the education plan requirement or need more support with obtaining an education plan from your institution contact the SF SEED office (415) 405-4342 or sfseed@sfsu.edu
